Dear Parent/Carer,

RE: Photo Consent

Assalamu Alykum

At KDGB we frequently take photographs to use as a record of your sons' experience in school, both in lessons and during extra-curricular activities. These may be displayed around school, but are also used in a wider arena, for the purpose of publicity, such as the school website, prospectus and flyers advertising school events.

For these uses, in order to comply with data protection laws, we require your consent to take and use photos of your son. If you are not happy for us to do this, that's no problem – we will accommodate your preferences.

Please complete all of the boxes below and return the whole form to your sons' form tutor no later than **Tuesday 5th June 2018.**

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of students to showcase what they do in school and show what life at our school is like, so we would appreciate your taking the time to give consent again.
