Re: Regulatory Compliance Inspection

As you are aware, KD Grammar School for Boys was inspected by the Independent Schools Inspectorate (ISI) on 8 and 9 March 2017.

The Inspectors praised the school saying that "performance has been above the national average for maintained schools". (ISI Inspection, March 2017)

We are pleased to note that all the standards relating to the Quality of Education, Spiritual, Moral, Social and Cultural development of pupils, suitability of staff, premises and accommodation and the manner in which complaints are dealt with, are all met.

The school is working on the recommendations from the inspection report. The full report can be viewed on www.kdgrammar.co.uk under school information. The link is:
