Groupcall Xpressions App

View your child's information on your mobile phone!

An exciting new service is now available for parents to ensure communication between the school and yourselves is easier and more effective. **Groupcall Xpressions** is a new service created by the award-winning school communication company Groupcall Limited.

The app is completely free of charge to you and can be installed on your mobile phone or tablet. It currently supports both Apple iOS and Android devices (with Windows mobile to follow) and you'll be able to see information for your children.

If you have children in different schools and those schools also use **Groupcall Xpressions**, you will be able to view information on multiple children within the same app.

What do I need to do now?

Please ensure we have your correct mobile number and email address on our school database to ensure you can use the new app as soon as it is available. Forms are available from the school office to check and update your details or simply email them to the school. You'll need to make sure you keep these details up to date in future to maintain access to the service.

What happens next?

Once installed and set up you will be able to see some or all of the following information depending on the school's system:

- Free messages sent by the school delivered directly to the app
- Updates regarding selected partner systems, used by the school such as homework, catering and library systems
- Attendance records and absences*
- Marks and grades*
- Achievement records*
- Behaviour events*
- Timetable*
- School calendar*
- Notification timeline for all of the above.

*Enhanced Service

Dear Parents/Guardian,

Pay Our School – Parental Payments

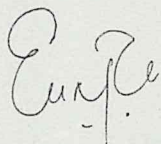

We are pleased to inform you that K D Grammar School for Boys will now be using a payment communication system called "Pay Our School" - the latest add-on to the **Groupcall Messenger** ecosystem, designed to make the process of requesting and collecting electronic payments from parents as easy and simple as possible. All payments for example school trips/miscellaneous payments can be paid through Pay Our School.

Setting up a new payment request takes just a few minutes, and parents can instantly be notified or reminded of how and when to pay. Parents have the choice to pay by debit or credit card, for one or several events and activities in just a few clicks throughout the year.

We strongly recommend that you take advantage of this efficient payment system.

We thank you for your support and please do not hesitate to contact me if you need more information about this system.

Yours faithfully,

Mrs. E Liew
School Bursar
